

Meeting	ALB Master Plan Regional Advisory Committee Meeting #3
Location	Albany International Airport, 3 rd Floor Gallery/Observation Deck
Date	June 8, 2023
Time	10:00 AM

The Albany County Airport Authority held the third Regional Advisory Committee (RAC) meeting for the Airport Master Plan Update on Thursday, June 8 at 10:00 AM. The meeting kicked off with opening remarks from Kevin O’Connor, Chief Executive Officer of Advance Albany County Alliance.

The presentation was given by Erin Crotty, Jeremy Martelle, and Paul McDonnell of CHA Consulting, the consultant firms chosen to conduct the Master Plan Update. The meeting agenda included:

- A review of the Inventory and FAA approved forecasts of activity
- A detailed summary of the facility requirements, including:
 - Airfield (runways & taxiways)
 - Terminal building complex
 - Passenger parking
 - Air cargo facilities
 - General aviation / corporate aviation facilities
 - Airport support facilities
- An overview of development options and alternatives for the above facilities
- Next steps in the master plan update
- Remaining study schedule

The meeting adjourned with closing remarks by Phil Calderone, Esq., Chief Executive Officer of Albany International Airport. Attendees were invited to ask any questions throughout the presentation.

The Master Plan team encourages the submission of questions, comments, and feedback via the Study website at www.ALB-Master-Plan.com. The contents of this meeting, as well as additional study material, are available on the Master Plan website.
